

**Middle Village Community Meeting  
December 3, 2003 @ 5:00 p.m.  
Maehnowesekiyah Meeting Room**

Legislators present: Anthony Waupochick and Laurie Reiter. Also present: Jonathon Wilson and Roger McPherson.

**Issues:**

- The Tribal web site should be kept more up to date.
- What can be done about getting rid of junk cars in Middle Village? Does Housing have the authority to get rid of junk cars?
- Do County officers have the authority to serve papers on tribal members on trust land?
- Will community members be put on committees again?
- Could the Tribe pay for half of insurance cost of the part time employees at the Casino?
- What powers does the Legislature have over MTE? There are safety concerns about trucks and MTE has done nothing about them.
